

Collection Calendar

Week one

Here is your collection calendar, showing your refuse and recycling collection weeks. This calendar is for residents living in houses only as there are different collection arrangements for residents in flats.

Bear in mind...

Please make sure that you put your waste and recycling out by 7am on your collection day. If you use a bin for your refuse, please place it in a standard sized plastic rubbish sack first.

We try to ensure our waste collection service is practical and efficient. If your bin contains loose rubbish or small plastic carrier bags making it difficult or unsafe to empty, it may not be collected.

	Shaded week - Food waste and tins, cans, glass bottles, jars and plastic containers in your green box
	Unshaded week - Food waste, paper in your black box and non-recyclable refuse
